

- Deadline for the **PAC Family Photo Fundraiser** has been extended **until Monday, October 15**. **We have only a few spots left**. The form can be found on the Sperling PAC website [www.sperlingpac.com](http://www.sperlingpac.com). There was a glitch in the cash-on-line option so if you have already paid that way (donation to the school), you will be contacted so it can be switched to the Family Photo Fundraiser. Many families who said they paid cash-on-line have yet to do so. Your spot will not be secured until that payment is processed. You will receive an email/phone call with your sitting time and other relevant details. Coles notes on the fundraiser: \$20 gets you two 6 minute sessions with 2 different photographers and 2 different backgrounds. Pets welcome. No obligation to buy a package – **free 8 x10 photo**. All proceeds of the \$20 sitting fee goes directly to the PAC – yeah. We are excited about this awesome fundraising opportunity for Sperling!
- Just a reminder that the first **Parent Advisory Council (PAC) General Meeting** of the school year is in the library on **Thursday, October 18th at 7pm**. If you would like to discuss something at the meeting, please add it to the agenda by emailing the [chair@sperlingpac.com](mailto:chair@sperlingpac.com) no later than Monday, October 15th.
- Burnaby Canadian Parents for French were unhappy to hear that the **CPF Burnaby Chapter** was dissolved in August 2012. Although CPF membership is still helpful without a chapter, there is so much more that can be done with an active Chapter i.e. Winter carnivals, French book swaps, Verbathons, French summer camps, grants and on it goes. This meeting has come together quickly and in the hopes you have some time tonight please come to the meeting.  
Note: New members only \$25 to join with 80% going right back to the chapter. Existing members bring your CPF membership# so you can vote.  
Date: **Thursday, October 11, 2012** Time: 7pm Where: Seaforth Elementary School, Staff Room 7881 Government Road, Burnaby V5A 2C9
