

- **PAC Family Photo Fundraiser** Thanks to all the Sperling families that participated in the Family Photo Night Fundraiser, and to Lisa for organizing it. We raised over \$1200 with your generous support.

- **Canadian Parents for French** Support the Burnaby CPF Chapter by becoming a member this year. If you join before October 31st 80% of your membership fee will come back to the Burnaby chapter! Join online. For more information about CPF visit www.cpf.bc.ca. The next meeting is scheduled at our Ecole Sperling on Wednesday, November 14th at 7pm.

- **Spring Fun Fair** A great event for kids and a PAC fundraiser. It's held in and outdoors. Past fun fair events have included a cake-walk, live music, pick-a-jar, popcorn, food stations, bouncy castle & numerous games. Add your ideas (facepainting, pony rides) and make the fun happen. Contact Jennifer or Doug at chair@sperlingpac.com

- **Indoor Activity Boxes** Help update the classroom's Indoor Activity Boxes. Bring new (or gently used) games, and kids educational items (no toys please) to the school office by November 15. Any questions, email Susan at activityboxes@sperlingpac.com.

- **Head Lice Check** ...a reality of school life, and, certainly not the most glamorous work. Nevertheless Sperling parents are determined to do their best at eliminating these pesky bugs from our children. 2-3 checks a year are done during the school year. The first one is usually done at the beginning of the school year, another after the winter break and the last one after Spring break. It's a great opportunity for parents to learn how to spot the little critters on their kids as well. The commitment is minimal, parents can join for just an hour after they drop off their kids, or, before they pick them up. Please contact Cecilia at headcheck@sperlingpac.com.

- **Mabels Labels** www.sperling.mabelslabels.com These handy & creative labels are a great help for labeling, and it's a Sperling PAC fundraiser at the same time!

From the Mabels Labels website:

"We are moms who were frustrated by the amount of stuff that left our homes, never to return. After lots of research and testing we created the perfect labels for the stuff kids lose!® Our personalized labels are laundry, dishwasher and microwave safe, and UV resistant. You'll be amazed at what you can label!"

See the last page of this bulletin for more info.

- **Walking Sidewalk** The Walking Sidewalk program is looking for 4-5 more regular volunteers to ensure we have 2 people helping with traffic each morning - currently we have only 1 person most days. A usual shift is 8:40-9:00 am. We're also looking for a few casual people who could fill in if a regular is unable to make it. Feel free to try a shift or two before committing to a regular spot. Email Morgan at safety@sperlingpac.com.

- **Emergency Coordinator** All schools have an emergency container on the school grounds. This container holds water and safety equipment should our kids need help in the event of a disaster such as an earthquake. The emergency coordinator simply updates the contents (for example water is replaced every year) and makes sure things work. If you are interested, see the Sperling website under Events & Information/Emergency Preparedness. You can also contact Ross at preparedness@sperlingpac.com, Jennifer or Doug at chair@sperlingpac.com
