Announcements

Children and teachers have been working hard to get ready for the Primary concert. Tickets were allotted to each family either two tickets to the evening show or two tickets to the day performance. (the day show is not a dress rehearsal but an actual performance)

School supplies survey was responsive and the decision was made to go ahead and try the idea for next school year. Sonja is waiting to hear from the supplier and she has asked that a supply list from the teachers be fine tuned (how duo tangs is in a package??). It will now be necessary to contact the company. Sonja

Treasurer's Report

Financials for November presented through email

Other Business

Fruit and Vegetable Program

It was decided that we would apply to the BC Fruit and Vegetable Program. Steve will fax in form indicating the PACs willingness to participate in the program. Steve is willing to take the Food Safe program that is a needed requirement to participate. Claudette will speak with the teachers about the program and their participation.

Questions

1. Will the fridge in the kitchen be available to use for both hot lunch and the Fruit and Vegetable program?
2. Will teachers be willing to put away leftover fruit?

Emergency Kiosk

Claudette will have the kiosk repaired in terms of the lock on the east side of Kiosk. There was discussion about the materials in the classroom backpacks. Ross thinks it may be possible to remove the lightsticks, and pictures on the nametags. Ross is going to look into emergency prep food for the kiosk.

Sports boxes

Pat will speak with Mike Snow and the teachers about the contents of the sports boxes. It is suggested that we purchase less, but better quality. We do have a donation of soccer balls. It is also important for the students to understand that if there is a problem with the balls or equipment, we need to be informed.

Meeting adjourned at 9:45 pm

Next executive meeting is January 11, 2007

Next general meeting is January 16, 2007
